Content

Under the presidency of former Member of the European Parliament, Willi Rothley, **the Institute for European Traffic Law** was established at the Academy of European Law two years ago as a step towards promoting this specific area of law. The number of cross-border cases related to traffic law is illustrative of its increasing importance.

The European Traffic Law Days have gained a reputation as a forum for the exchange of practical experience and academic knowledge between all persons professionally involved in traffic law. The sixth event in this series, which will continue to be organised on an annual basis, will take place in Trier on 12 - 14 October 2005.

This seminar will provide practitioners in the fields of liability and insurance with a comprehensive overview of recent developments in the following areas of European traffic law:

- "Rome II",
- European Barème for the Assessment of Physical and Psychic Damage,
- 5th Motor Insurance Directive,
- Internal market and "Driving Licence Tourism"
- Control of the Legal Obligation To Insure

Preparation Committee:

RA Willi Rothley, RA Holger Backu, Dr. Michael Buse, Dr. Angelika Fuchs, PD Dr. Stephan Fuhrer, Prof. Hubert Groutel, Dr. Eckhart Jung, Ulf Lemor, Jean Pechinot, Alain Pire, Dr. Wolfgang Resch, RA Oskar Riedmeyer
